My wife, Lisa, and I have three children ages 15, 12, and 10. We have called Oak Ridge North our home since 2007. Like so many others who have recently chosen Oak Ridge North to raise their young families, we love our adopted Home Town.

I was elected to my first term on the Oak Ridge North City Council in 2016. I ran on a platform of helping the City to find reasonable, modern solutions for the problems that we were facing as a community. I believe that I have upheld those goals. I look forward to continuing to work with my fellow Council members towards solving current problems and planning for the future, in a fiscally responsible manner. It would be my honor to continue to serve my fellow residents as their Place 3 Councilperson.
